

# America in the grip of the (Zionist) Jews

United States of America with its unwavering support of Israel and its blatant partiality toward Israel's interests has been planting the seed of hatred toward itself around the world. America today is in the grip of the Zionist Jews who promote and follow Theodor (Binyamin Ze'ev) Herzl's ideology and by controlling the mass media they have made ignorant and unaware people blindly follow their wishes and their goals. Zionist Jews are in control of the movie industry, news organizations, radio and television studios, Internet companies, and book publishing industry. And they utilize all these resources toward their ideologies and to shape the minds of ignorant people anyway they see fit. They make anyone they want to appear worse than the devil himself and anyone they want to look better than any angel. Members of Senate and members of Congress from both sides of the aisle throw their full, unwavering support behind Israel, therefore the United States foreign policy and all the resolutions coming out of the Senate and Congress are in line with Israeli's wishes and are for the full support of Israel's policies and actions even if they conflict with its own national interest, or no matter how wrong they may be.

While Christians are busy in discussions about Jesus being God, or son of God, or son of man, or a prophet like other prophets, Jews have successfully utilized mass media to promote their own political and social agenda and their own interest throughout the Christian societies. Jesus clearly introduces himself as a prophet sent by God. In the Gospel of Matthew 13:57 and in the Gospel of Mark 6:4 Jesus says: *“And Jesus said to them, ‘A prophet is not without honor, except in his hometown and among his relatives and in his own household.’”* and in the Gospel of Luke 13:33 about the location of his murder he says: *“Nevertheless, I must go on my way today and tomorrow and the day following, for it cannot be that a prophet should perish away from Jerusalem”* and in Gospel John 17:3 he says: *“And this is eternal life, that they know you the only true God, and Jesus Christ whom you have sent”*. In the Gospel of John more than 20 times Jesus introduces himself as being sent by God and introduces God as the One who sent him. In the book of Acts 3:22 Peter says: *“Moses said, ‘The Lord God will raise up for you a prophet like me from your brothers. You shall listen to him in whatever he tells you.’”* also see Acts 7:37, this saying is actually from Deuteronomy 18:15 in which Moses says: *“The LORD your God will raise up for you a prophet like me from among you, from your brothers—it is to him you shall listen”* also see Deuteronomy 18:18.

By taking control of the mass media, Jews dominated the United States of America and the European countries, and thus they are in control of the world. Their worst strategical blunder was the formation of the State of Israel, as the Jews that were known throughout the world as the oppressed people are now known as one of the most hated regime in the world. This was done due to the needless prejudice of some Zionists, because Jews did not need an independent country, as due to their strategical direction they were in control of the world as they are now. By controlling the mass media as well as the banking system they not only controlled the USA and Europe and as a result they controlled the world, but they also made billions of dollars.

I believe that by the end of twenty first century, Christians, Muslims, and Buddhist will awake from their ignorance and negligence and will take back the control of the mass media and the banking system. And some enlightened, intellectual, and realist Jews will also join in this endeavor, as today most of them are not speaking out because of the fear of backlash from Zionists. And they will join hands with other reformist and righteous to build a world that justice flourishes, in order to build a world that there is no sign of tyranny, oppression, corruption, poverty, ignorance, and degradation of human dignity in it. I believe that unawareness and ignorance of the masses from their own Holy Scriptures as well as other Holy Scripture and fanaticism of religious leader to protect their power and interest are the major reasons for divisions, conflicts, and enmities. And if people begin to read their Holy Scriptures without any prejudice and fanaticism they realise that they all looking for a world that justice rules and no one steps on all the God given rights of other humans. This is the main idea behind all the religions, which have been twisted by fanatics and so-called religious leaders to prevent the fruition of such a world.

But the Zionists emphasize the Genesis 15:18 which says: "*On that day the LORD made a covenant with Abram, saying, "To your offspring I give<sup>c</sup> this land, from the river of Egypt to the great river, the river Euphrates"*" but as we know never the Israelite never owned or for that matter controlled Egypt to the river of Egypt (i.e. river Nile), neither did they own the land that comprises today's Israel except for a short period of time from 480 years after the Exodus of Israelite from Egypt, when Solomon started the construction of the Temple of Jerusalem (see book of 1 Kings, the eleventh book of the Old Testament, 6:1), up to the captivity of Babylonian which is about 430 years (see chapter 1). One should also take into account that at the time of Rehoboam, i.e. about 36 years after the beginning of construction of the temple, ten tribes out of the twelve tribes of Jacob formed the kingdom of Israel (see 1 Kings 12:19-20) which they were dispersed throughout Assyria and were replaced by other people (see 2 Kings 17:6, 18, 24 and 2 Kings 18:10). After the Babylonian captivity, the land of Israel

was part of Persian empire for about 200 years, and part of Greek empire for 100 years, and part of Romans for 300 years, and for about 1320 years were under the rule of Muslims. One should also note that the kingdom of Judah was almost a square that was stretched from north and south from the Dead Sea toward the Mediterranean Sea up to land of philistine. For a more detailed description of this land refer to the book of Joshua, the sixth book of the Old Testaments, 15:1- 12 which says: *“The allotment for the tribe of the people of Judah according to their clans reached southward to the boundary of Edom, to the wilderness of Zin at the farthest south. 2And their south boundary ran from the end of the Salt Sea, from the bay that faces southward. 3It goes out southward of the ascent of Akrabbim, passes along to Zin, and goes up south of Kadesh-barnea, along by Hezron, up to Addar, turns about to Karka, 4passes along to Azmon, goes out by the Brook of Egypt, and comes to its end at the sea. This shall be your south boundary. 5And the east boundary is the Salt Sea, to the mouth of the Jordan. And the boundary on the north side runs from the bay of the sea at the mouth of the Jordan. 6And the boundary goes up to Beth-hoglah and passes along north of Beth-arabah. And the boundary goes up to the stone of Bohan the son of Reuben. 7And the boundary goes up to Debir from the Valley of Achor, and so northward, turning toward Gilgal, which is opposite the ascent of Adummim, which is on the south side of the valley. And the boundary passes along to the waters of En-shemesh and ends at En-rogel. 8Then the boundary goes up by the Valley of the Son of Hinnom at the southern shoulder of the Jebusite (that is, Jerusalem). And the boundary goes up to the top of the mountain that lies over against the Valley of Hinnom, on the west, at the northern end of the Valley of Rephaim. 9Then the boundary extends from the top of the mountain to the spring of the waters of Nephtoah, and from there to the cities of Mount Ephron. Then the boundary bends around to Baalah (that is, Kiriath-jearim). 10And the boundary circles west of Baalah to Mount Seir, passes along to the northern shoulder of Mount Jearim (that is, Chesalon), and goes down to Beth-shemesh and passes along by Timnah. 11The boundary goes out to the shoulder of the hill north of Ekron, then the boundary bends around to Shikkeron and passes along to Mount Baalah and goes out to Jabneel. Then the boundary comes to an end at the sea. 12And the west boundary was the Great Sea with its coastline. This is the boundary around the people of Judah according to their clans.”* Fig. 1 is a depiction of the kingdom of Judah which can be find in most of the Bibles today. And it should be reminded that according to the book of Numbers, the fourth book of the Old Testament, 36:9 *“So no inheritance shall be transferred from one tribe to another, for each of the tribes of the people of Israel shall hold on to its own inheritance.”* and note that the tribal land is called inheritance in this verse.

In the future, with the expansion of the democracy and awakening of the reformers and the righteous and the formation of the Jewish reformist party for Social Justice the influence of the Zionist will be diminished.

It is important to consider that the Jewish population in USA is estimated to be between 5.4 to 6.8 million, while the total population of USA is over 310 million people or in another word less than 0.2% of the population of the United States is Jewish. But consider their grip over the United States by looking at their share in the supreme court, in the senate, in the congress, in the banking system, and in the mass media!

When Christians, Buddhist, Muslim, the righteous Jews, and other reformers wake up and set aside the differences over negligible differences and unite, they shall sieze the control of these essential functions of the society and will not allow AIPAC or any other Extemistst Zionist organization or persons manipulate the presidents, the Senate, the Congress, the banking system, and the mass media and therefore slowly but surely the true justice shall thrive and flourish for all in USA and Europe and the rest of the world.
